| 900 | Industrial fridge/freezer | 0 |

*) Must not contain more than 300mg 16PAH/kg

Ulricehamns Energi AB carry out random checks on deliveries. If inaccuracies are discovered and correct classification and/or sorting has not been adhered to then we will reclassify the delivery at a higher rate. Where necessary, re-sorting and re-classifying will be enforced. Further charges can and will be applied in these instances.

BUSINESS CARD CUSTOMERS. Deposits of smaller amounts of combustible materials or wood waste, using the containers available

Up to and including 6 sacks or one trailer: 300kr + moms. Swipe the card once.

The business card is available from our on-site personnel. Swipe the card every visit!
